Our Club begins the month of May on Wednesday the 6th when we get together for our regular Monthly meeting, the Board meets at 6:30pm and our regular General Membership meeting gets underway at 7:30pm

We are looking forward to hearing from our Club Members who attended the two events last month and share with us at the meeting their experiences, which included the "Gamblers Classic" in Laughlin and the Cal State LA Car Show and Festival.

On a Positive Membership note....We have enjoyed Meeting and Greeting recent visitors to our Meetings and Activities. Andrew, Joel & Jennifer, Rey & Joyce. We appreciate your interest in Corvettes Limited and welcome you to attend our Club's Activities.

Activities for the month of May include our Wednesday **Social Dinner on the 20th at Dave & Busters** in the Arcadia Mall (see page 3) , and a run to the **Nethercutt Automotive (and much more) Museum on Saturday the 30th** in Sylmar. A flyer is being prepared which will be forwarded to our Members via e-mail which will include address, directions, time, lunch information and details on the Museum and the Guided tour. It is a very unique place.

IT REALLY WORKS!! As I have said before, I carry around old copies of the *Get Around Gazette* in my car and when I walk my dog. At least two members, Harma and Ralph, have joined because they found the newsletter on their cars. Last month Paul visited and said he found a newsletter and a card I had put on his car. I spoke with Paul a couple of weeks later when I was again walking my dog through his neighborhood, and he is planning on attending the May meeting and joining Corvettes Limited. It pays to keep the newsletters and cards handy to have available when you run into someone driving a Corvette.

I know I am repeating myself, but I still have a few Corvettes Limited aprons for sale at the very low price of \$5 each. The aprons are black with CORVETTES LIMITED in white across the front. All the money raised will go into the Charity Fund. Speaking of the Charity Fund, MANY THANKS to Pat Mayhall who sold raffle tickets at the Picnic and Car Judging in March. Thanks to Pat's efforts, we added \$55. to the Charity Fund. Corvettes Limited used to put on a fundraiser for the Charity Fund. It would be nice to do something to raise more money.

We still have room on the calendar for more activities. If you have an idea for an activity, just check with Bob Petersen or one of the Board members to get it on the calendar.

Rosemary is always looking for articles and pictures for the newsletter. If you attend a car-related event, please consider doing a short article on the event, it only has to be a few lines. If you hear about an event, please let Rosemary and Ralph know so they can publicize the event and we can join in the fun.
